THE PROGRESSIVE DANDY

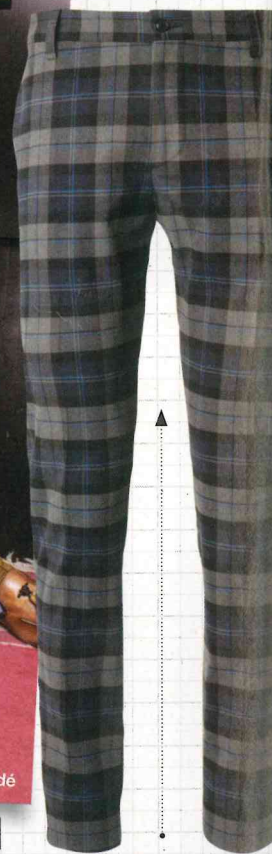

The Oxford English Dictionary defines a dandy as a man who “studies above everything to dress elegantly and fashionably.” With respect to acclaimed artist Iké Udé, that’s an understatement. He treats style as a daily discipline that should be curated and refined with practice. The Nigerian native brings a fresh perspective to “the seduction and sometimes narcissism associated with fashion.”

THE WORK OF ART

Sartorial Anarchy #5, in my estimation, is the very essence—conceptual and intellectual—of this ongoing body of work. *Sartorial Anarchy #5*, 2013, courtesy of the artist, RISD Museum and the Leila Heller Gallery

Iké Udé

Miles Davis, 1952

THE MUSE

Miles Davis employed style as a manifestation of keen intelligence, harmony of composition and declaration of individual sovereignty.

THE SHOE

Crockett & Jones are an exemplary benchmark of quality shoes, both in terms of form and function. **Crockett & Jones Ivy Albert Slippers** (\$560; barneys.com)

★ Natty slippers

Y-3 Fall 2013

THE DESIGNER

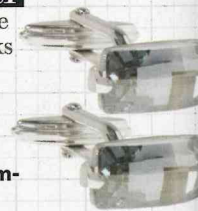

Yohji Yamamoto—who designs Y-3—is one of my all-time favorite menswear designers. **Y-3 Fall 2013 Blazer, Shirt and Pants** (price upon request; y-3store.com)

THE TROUSERS

Everything looks better when it fits well; fit is key. **Etro Slim-Fit Plaid Cotton Blend Flannel Trousers** (\$410; mrporter.com)

THE ACCESSORY

I have a pair of antique precious-gem cuff links that once belonged to my maternal grandfather, Paul Osuoji, who was also a dandy. **Lanvin Crystal Rhodium-Plated Cufflinks** (\$210; mrporter.com)

THE BODY

Water, tea, Kiehl's products and a well-observed daily siesta define my skin care regimen. **Kiehl's Ultimate Man Body Scrub Soap** (\$15; kiehls.com)
